## COMING UP

Reading~ The students will be completing a spelling inventory. We will start writing a story about a time that we went somewhere. They are going to finish i-Ready and we will start guided reading. We are still talking about how to pick books and why.

Math~ We are going to be working on collecting and showing data. We will be making, reading, and answering questions about graphs.

Science~ We will be discussing the moon phases and how day and night happen on Earth.
